Tina Sewell

FROM THE GENERAL MANAGER

Welcome to April and what a year it has been to date.

There are many new homes under construction and many residents moving in, it has been a hive of activity at Bingara.

We met a few of you at the Meet the Neighbours evening in March and look forward to catching up with many more of you at future Community events including a Twilight Cinema on the golf course, the Easter Show off-site excursion, family Easter Egg Hunt and the end of financial year themed event on 30 June 2017.

We will continue with the mid-month and end of month Golf Competitions and a few fun events in-between, including Light it up Golf and a Ladies Golf Day (weather permitting) to name a few.

I would like to thank the Community Reference Group and Security Tender Sub-Committee members for volunteering their time to continue making Bingara a special place to live.

Have a safe and Happy Easter.

Tina

THE BINGARA LIVING WEBSITE HAS GONE LIVE!

The Bingara Living website is now live and is your one stop shop for all things "Bingara"! The website features links to the owners' portal, RSVP forms for events, information on golf lesson packages and programs, opening and closing times and much more. Head over to www.bingaraliving.com.au and take a look around.

COMING SOON: Bingara Business Directory.

We are seeking expressions of interest from business owners in Bingara Gorge who would like to have their business listed on a directory we are creating for the Bingara Living website. If you would like to have your business added, please email communities@bingara.net.au with the following details;

- Business Name
- Contact Name
- Contact Number
- Email Address
- Business Category
- Description of the business; maximum 25 words

Once we have confirmed that you are a resident, we will add your business details to the directory.

STAR STUDENT COACHED BY SAM GRASSO

Emmy Van Tol is an 8yr old student that has improved so much over the last few terms. Emmy started lessons by hitting the ball over the Hot Shots mini net but is now hitting fantastic forehands and backhands over the full sized net on a big court.

Her favourite shot being her volleys that she always tries to aim at her Coach. She is a great student to work with and a very happy and cheerful student that can give you a smile even on a rough day - Sam Grasso (Coach)

GOLF UPDATE

WITH ETHAN

GOLF TIP: PUTTING BASICS

Putting is often overlooked by players of all abilities yet it's the most important part in golf. The majority of your shots happen on the putting green so it makes sense to put in some time and effort. Time and time again I see players get the basic setup and stroke incorrect and have all sorts of issues getting the ball in the hole.

With putting, it's important you get the basics correct in order to give yourself the best chance at holing your putt. Make sure your putter is flat on the ground, your eyes are over the golf ball, arms are relaxed and hanging down from your shoulder, grip is soft and ball positioned just forward of the middle of your stance. Once you are in these positions, you should move the putter back and through at the same speed and the same distance on your backswing and downswing using your shoulders only to move the club. The overall putting stroke should take you about 2 seconds to complete. To change the distance you hit the putt, try lengthening or shortening your swing. Get these simple techniques correct and start making more putts.

JOEY EASON

For those who have not heard, Joey is Bingara's up and coming star! With a swing that would put most avid golfers to shame, at just 6 years old, Joey is heading to Pinehurst in North Carolina for the US Kids Golf World Championship. Joey recently earned his spot by finishing 6th in the under 7s US Kids Golf Australian Open, and has also had the experience of being interviewed by Kerr-Anne Kennerley for his very own spot on Today Tonight!

We wish you all the best on your journey!

GOLF CARTS IN BINGARA

We would like to remind residents that the roads in Bingara Gorge are public roads. To use a golf cart on the road network you are required by Roads and Maritime Services NSW to conditionally register your golf cart. Visit <http://www.rms.nsw.gov.au/roads/registration/get-nsw-registration/conditional.html>

Residents using their own carts on the golf course must also register your cart at the Golf Shop and are required to check in when you take your cart onto the course.

We ask that residents abide by the road rules and consider your neighbours when moving throughout the estate – thank you for your cooperation.
